## REGISTRATION

You have 2 tournament registration options:

### Pre-Tournament Registration:

- Friday, May 22, 5:30 – 8 pm* at the **Charles River Bank** located at 70 Main Street (Route 109), at the intersection of Main Street and Holliston Street.

**Teams are encouraged to register Friday evening. This saves time for everyone on Saturday!**

### Tournament Site Registration:

- Begins Saturday, May 23, 7:00 am* at the Registration Tent at the **Tournament Site** (Medway Middle School).

***Teams not registered on Friday night must register at this tent prior to reporting to game field.***

Allow enough time to do this so you can get your team warmed up.  
*Players do not need to report to the registration tent.*

**All teams must bring the following to registration:**

- A town and/or state certified roster including name, birth date and shirt #.
- A completed Release of Liability and Consent for Medical Treatment form for each player with parent or guardians' signature. **It is the coach's responsibility to come to registration with a completed form.**

Each player must be accounted for at registration before play.

Please have all forms completed prior to tournament day.

*It is appreciated if you do not have individual players and families completing forms at registration.* (This will facilitate a smooth registration and your team's readiness for play.)

Forms will be returned to coach to be kept with team during tournament.

- **Out-of-state teams** must submit their approved Permission to Travel Form if not already submitted.

**Tournament Format Reminders**

- Play for U8 and U10 is non-results oriented. Game scores will not be posted. Participation trophies given to all.
- Play for U12 and U14 is results oriented. Trophies awarded to first and second place teams following playoffs.
- Award presentations are scheduled following each team's last game. Award schedule will be available at registration. Coaches will escort teams to award presentation area.
- Please remember that this is a patch tournament. Teams will exchange patches at the end of every game.
